

# Public Enemy Lyrics

## "First The Sheep Next The Shepherd?"

First the sheep next the shepherd  
Chuck's run amok multiplying like leopards  
Spots em up the long bombs a record  
A long shot / 3 minutes 15 seconds  
If I was cloned never would I be alone  
Just the two of us mutherfuck the lexus  
Strange fruit be hangin in texas  
Rope be holdin the necks  
Poison politics affects us  
Get my flow on a show of flexes  
Got too much love above  
For the battle of the sexes  
Now I won't go as far as romancin myself  
Or dancin with wolves or runnin wit the bulls  
Shit I be in two places at one time  
Split spaces wit one rhyme  
Get 3 nickels outta one dime

First the sheep next the shepherd

Fill generation gaps wit mad raps  
Get slapped  
Give four smacks the hell on back  
Be the father son and the holy ghost  
As I represent both the east and the west coasts  
Whatever that's worth 360  
The planet earth that's the whole black man's turf  
Now I be the rational national  
Ever present international  
Spy wit the third eye against the conquer and divide  
Now wit three of me I can run a country  
Make apocalypse quit do mad shit on the side  
I go on wit my bad self if I had four of myself  
I would sacrifice two to get that slave outta you  
In my eyes be the anger of the furious five  
Flashbacks cut across psycho tracks  
Been there done that and I swung a big bat  
Like that there it is I be the startin six pack

First the sheep next the shepherd

The east to the west south to the north  
The music might switch the rhymes never fall off  
Non alcoholic avoiding the bomb  
In abortion clinics I be the hero up in it  
Jack the cracker dat did it  
Now the magnificent 7

Hip hop gangsta rappin  
Holdin it down makin it happen  
From oakland to manhattan  
If I was eight / I be damn great  
City to city / state to state  
Won't never be too much on my plate  
Flow like watergate  
Wit nine of mine  
I'd get piece of mine  
Again and again  
Wit that power of ten men  
Duplicated by the split  
Of one mean gene an shit  
Back to the lab  
Wit them scientific crabs, what next?  
3 minutes and 15 seconds
